

21st CONGRESS

SEPTEMBER 4-8, 2012

GENEVA, SWITZERLAND

CENTRE INTERNATIONAL DE CONFÉRENCES GENÈVE

INTERNATIONAL SOCIETY OF
AESTHETIC PLASTIC SURGERY

**REGISTRATION
BROCHURE**

Welcome from the President,

I invite you to join us for the 21st Biennial Congress of the International Society of Aesthetic Plastic Surgery (ISAPS) in Geneva, Switzerland.

Our program committee under the direction of Dr. Alain Fogli of France and our Education

Council Chair Dr. Nazim Cerkes of Turkey has developed an excellent program including the largest faculty in our history with topics ranging across the breadth of aesthetic plastic surgery. Many free papers were accepted from the record number of abstract submissions and we look forward to our new feature this year – free video presentations. We will include special seminars offered by our industry colleagues and the social program organized by our local host, Dr. Kai Schlaudraff, will be most enjoyable.

The Centre International de Conférences Genève (CICG) in central Geneva will be our very comfortable and intimate home for this glorious first week in September. Our local staff will help you with your hotel accommodations and day trips to surrounding mountains and of course around beautiful Lake Geneva. Local members will insure that you and your family will enjoy your time in Switzerland.

Please join us on the shores of Lake Geneva in September.
